184862875	39428.7875	Maquoketa river	Delaware	Manchester	Turtle Creek lagoon boat ramp/Bruce Schneiders farm/Lost Beach swimming area.	Yes	Since I am a cabin owner on the river I see this activity on a regular basis. Myself or small children are in the water anytime between the 1st of June through Labor Day weekend.	Yes	I've seen swimmers or boaters with skiers most days through the summer months on this body of water.	Yes	We use our canoe most weekends during the summer months. Tubes being pulled behind boats is quite common and can be observed most days during the summer months.	Yes	People fish quite often from our bank and I've seen numerous people fishing from boats up and down the river during the summer months.	S. Dean Willis	2345 26th st	Marion	52302	Yes
187760368	39451.57014	Maquoketa River	Delaware	Dundee	Backbone State Park	Yes	We wade the river while fishing so we are in it perhaps a dozen times a year during the summers.	Yes	Below the dam at Backbone and also at the canoe launch area in Dundee itself.	Yes	Many people launch from the area below the dam and many also launch from the County Canoe launch area in Dundee itself.	Yes	Guess I mentioned this previously we often fish the Maq. by wading and casting - others often are observed casting from canoes - we likely observe a dozen other groups a year...	Chuck Ungs	808 N Franklin St	Manchester	52057	Yes
187761462	39451.57639	Maquoketa	Delaware	Manchester	Above the Quaker Mill Pond north of Manchester itself. 18649 166th Ave is my father house that we often take out or launch from.	Yes	Our family swims in the river many times each summer - perhaps 20 times a year?	Yes	Our children are usually with us when we visit my fathers house to swim. They particiaple when we do and about everytime we are out to visit in the summer.	Yes	We see many folks pass by dads house that are participating in these activities. It clearly peaks mid-summer - some canoeing continues well into the fall - perhaps through the second or third week of October and often starting by mid-May.	Yes	Several times a year we will seine for crappie minnows along the sandbars in the area... we fish it extensively the entire open water season from last ice to first ice.	Chuck Ungs	808 N. Franklin St	Manchester	52057	Yes
187763169	39451.59931	Maquoketa River	Delaware	Manchester	Tirill Park in Manchester itself and also at the bridge below that park - also at the dam just around the corner that 109 E Marion St.	Yes	Tirill Park often has a number of kids playing in the river on a warm summer day.	Yes	Many kids wade in the river area around the Wisconsin tube from the backwaters on warm summer days. We also observed a variety of beach type toys on one of the sandbars jsut upriver form the park last summer.	Yes	We observed several boys tubing on Fathers day when we launched a jonboat and headed upstream to fish.	Yes	I fish this area by wading about a half-dozen limes a year.	Chuck Ungs	808 N Franklin St	Manchester	52057	Yes
187770253	39451.61181	Maquoketa River	Delaware	Manchester	Baileys Ford County Park	Yes	Any weekend of the summer there are dozens of people swimming, wading or fishing in the vicinity.	Yes	Every weekend all summer long the Park is full of campers whose kids paly in the river in this area.	Yes	This area sees heavy usage for any of the above listed activities.	Yes	We fish the area often from ice out until ice up. We use the area perhaps 18 times a summer and always observe others fishing while we are present.	Chuck Ungs	808 N Franklin St	Manchester	52057	Yes
187771015	39451.61597	Maquoketa River	Delaware	Delhi	Below Delhi Dam at the county access.	Yes	From the boat ramp up and down river the area sees swimmers occasionally throughout the summer. We wade the river in this area for fishing up to a dozen weekends a year.	Yes	Many times a summer as their families are fishing in the area.	Yes	Nearly every time I am there I observe a group involved in at least one of these activities.	Yes	As stated earlier - we fish the area a lot and there are many others who also fish this vicinity on nearly any given day during the warm season.	Chuck Ungs	808 N Franklin St	Manchester	52057	Yes

On almost all occasions, I observed one or more additional anglers fishing.	Steve Horswell	22498 230th Street	Milford	51351	Yes
187427819	39449.57708	Mill Creek	Dickinson	Milford	Dickinson Co. Road A-34 (220th Street) for the purpose of kayaking	No		No		Yes	I kayaked it once, in 2004. I entered the stream at Co. Rd. A-34 for the purpose of observing obstructions in or across the stream to report to the Dickinson Co. Board of Supervisors. There are numerous fences across the stream that catch vegetation and	Yes	I have observe fisherman just below where Mill Creek crosses under Highway 71 south of Milford.	Richard Meyer	104 North 7th Street (Office)	Estherville	51334	Yes
Yeader Creek																		
186710578	39442.61806	Yeader Creek	Polk	Des Moines	Just about anywhere it's entire length is accessable. It runs right through town and into Easter Lake.	Yes	Kids are playing in it as soon as warm weather arrives. Adults seine minnows in the deeper holes,	Yes	My children are grown and on their own now, but when my grandkids are in town that is the first place they head for!	No		Yes	When I was younger I'd seine minnows half a dozen time a year. I still see guys with hand nets quite often.	Oscar Overton	501 E. Titus Ave	Des Moines, IA	50315	Yes
Hardin Creek																		
186725927	39442.81944	Hardin	Greene	Churdan	160th, 170th Street Bridges	Yes	Usually summer months if weather is hot and there is enough water (no drought). North of 150th, 160 Street Bridges	No		Yes	Usually summer months, if enough water people kayak or John boatfrom North of Churdan to Raccoon River and on the Raccoon River on to Des Moines. Frequency depends on water and popularity. My impression is that they go to one part of state one year and	Yes	At most bridge locations and if one knows the property owner (and as a result has permission to be on their property), all of the above occurs numerous time during the year depending upon if fish/muskrats, mink, etc. are present and the right time to fish	D. Kersey	170th Street (NO JUNK MAIL/DO NOT SELL)	Jefferson	50129	Yes
Siewers Spring																		
187096871	39446.6125	Siewers Springs	Winneshiek	Decorah	Continuously from Highway 9 bridge upstream to hatchery	Yes	While fishing, I have frequently observed children playing in the stream, especially just below the hatchery	Yes	While fishing, I have frequently observed children playing in the stream, especially just below the hatchery. Given the presumed pristine nature of Siewer's spring, high levels of water pollution is especially disturbing.	No		Yes	Siewer's springs is a major Iowa trout stream--DNR personnel can attest that it is fished almost continuously.	Steve Horswell	22498 230th Street	Milford	51351	Yes
English River

No		Yes	I paddle this stream about three times a year. It is beginning to become better-known among Iowa paddlers, and groups are paddling it more and more frequently.	No		KJ Rebarcak	PO Box 323	Long Grove	52756	Yes
187186097	39447.29792	English River	Iowa, Keokuk, and Washington	Kalona	Private Land up and down the entire stretch of river. There is also a boat ramp located off Co. Rd W61 in Riverside, IA.	Yes	The entire length of river I have observed someone swimming and participated in swimming activities. Usually at least 6-8 times a year.	Yes	The entire length of river. Observed children playing in the river near sandbars. Observed children playing 6-8 times a year. Children are excited about going to the river to much around and pick up mussels and go fishing or swimming!	Yes	I have observed others canoeing this entire stretch of stream several times a year and ice-out to ice-up. I canoe this whole stretch of river several times a year from ice-out to ice-up. Project AWARE canoed this river from north of Wellman, IA to the c	Yes	The entire river length, ice-out to ice-up. I fish this river all year long as do many, many others. I have observed at least a couple dozen people fishing and setting lines on this stretch of river. Also have seen folks trapping for furbearers as well	Brandon C. Harland	101 Lynwood Dr.	Huxley	50124	Yes
187232712	39447.47639	English River	Washington, Johnson	Kalona, Riverside	W21 bridge, Highway 22 Bridge, Old Bridge south of Kalona, access south of Riverside at the park. Have paddled the entire river from W21 to the Iowa.	Yes	Went wading/ swimming at a sandbar between Kalona and Riverside, with friends, on a couple of occasions.	No		Yes	I have paddled it many times- it's a local favorite with my friends and I. I usually get out on it several times a year, and have paddled the ntire river from W21 on down. Friends of mine have paddled it above W21.	Yes	between Kalona & Riverside. I've also observed a number of jon boats along the river at vaious locations, so I know it's used for fishing.	Mark Wise	913 34th street	Ft. Madison, IA	52627	Yes
Sugar Creek																		
187185923	39447.28333	Sugar Creek - southwest of the town of Waukeee	Dallas County	Waukeee	The creek runs along the south side of our property	Yes	we take creek walks - "no swimming" because I worry about the kids getting the water in their mouths - at times they do fall in. I would like to have the confidnece that this wonderful activity is a safe one. We also have a lot of wildlife along our cree	Yes	various times thru the year - mostly in the summer and fall	No		No		Lisa Bean	29762 310th street	Waukeee	50263	Yes
Big Cedar Creek																		
187230828	39447.46806	Big Cedar Creek	Jefferson and Henry	Fairfield & Mt. Pleasant	Turkey Run Access, Round Prarie Canoe Access, Willow Road, Agency Road, Gibson ec Area	Yes	I' ve been wading in it during warmer weather, on various sand & rock bars, during breaks while paddling.	No		Yes	I have paddled it a number of times, sometimes alone, sometimes with friends. I get out on it probably 3-4 times a year, and know others who do also. The stream is featured in "Paddling Iowa," by Nate Hooegeveen.	Yes	People fishing from the old Vine Avenue bridge.	Mark Wise	913 34th Street	Ft. Madison, Iowa	52627	Yes
Flint Creek																		
187234088	39447.48194	Flint Creek	Des Moines	Burlington	Highway 61, and Starr's Cave Park are the most frequent, but I've also accessed it at bridges above US 61.	Yes	Despite signs advising against it due to poor water quality, people swim/ wade at Starr's Cave Park, as the stream flows right through the park.	Yes	Starr's Cave Park- see previous entry.	Yes	I paddle this whenever water levels permit- I get out on it about 2-3 times a year. Th bluffs in Starr's Cave Park are a big attraction. I've paddled it from a few miles above US 61 to the Mississippi, and I have a friend who paddles it as well.	No		Mark Wise	913 34th Street	Ft. Madison, IA	52627	Yes
Pigeon Creek
